## Admin reminders

The information about your activity in CAO that I would like to know about:

### *Peer-reviewed publications*

Details to be sent to me when the manuscript is published (citation and link). Press releases for high impact papers; suggested acknowledgement statement; current special issues led by CAO investigators.

### *Conference attendance*

On-line conference table to identify who is attending which conference. Includes details of CAO and project meetings. [http://bit.ly/CAO conferences](http://bit.ly/CAO_conferences)

### *CAO and BMBF logos*

Logos available for download: rectangular CAO logo (png, pdf), round CAO logo (png), pre-approved combined UKRI NERC + BMBF logo (png). Details about usage of BMBF logo.

### *Media coverage*

Any coverage of your CAO science in newspapers, magazines, radio, TV, etc., to be forwarded for inclusion on the website and CAO social media.

### *Social media*

Information on twitter handles and # to use to make your tweets easier to find and retweet; the twitter handles of CAO projects with twitter accounts.

### *Outreach*

Details about CAO-related outreach activity you do to be sent to me for inclusion in the "Calendar of events" and social media. Includes blogs and educational downloads.

## Data management

Information on how to submit and access CAO data via BODC. Links to the CAO page on the BODC website and the CAO Data Policy.

## User groups

List of user groups and links to the Slack discussion groups.

## Integration data

Summary of integration data availability (Chl-a, dO<sub>2</sub>, nutrients, sea ice) as well as cruise reports from the 6 NERC-funded cruises.

## CAO Annual Science Meetings

Details of previous ASMs, including copies of presentations, and the next ASM (registration, accommodation, presentation formats, expenses).
